**REFLECT:** In the narrative of the profession of faith at Caesarea Philippi, the principal figure is Peter rather than Jesus. The next episode in the gospel confirms this impression. Just as we were impressed with Peter's walk on the water, here we are equally impressed by the juxtaposition of his faith with his lack of faith. Peter has just acknowledged Jesus as the Messiah. But he sees messiahship as the glory of a royal triumph. The master however, presents himself as the suffering servant of Isaiah who will redeem his people through his passion, death and resurrection. The disciples understand what it means to be put to death, but they do not comprehend the meaning of "raised up". Therefore, the impulsive Peter, brought to this point by his unenlightened love, revolts against the apparent cruelty of the divine plan. Suddenly he reverses his position. He to whom Jesus has just said: "Happy are you" after his profession of faith, is now chided sharply: "Get out of my sight you Satan!" The "Rock" who was strong enough to have the Church built upon him is now the obstacle, the "rock of scandal" along the Messiah's route. Jesus had said: "It is my Father in heaven who has revealed this to you," and now he affirms: "You are not judging by God's standards." "Get out of my sigh" may be interpreted by each Christian as: "Go behind me to follow me. You are a disciple and every disciple must follow the master." The Christian can no more escape the cross of salvation than could the Christ. Truly God's standards are not ours.

**PRAY:** Ask for the grace to be a faithful disciple of Jesus.

**ACT:** In facing problems in your own life unite yourself in spirit with Jesus.

The Altar Bread, Wine and Sanctuary Candle for this weekend is in appreciation for those living!

Thank you and blessings!

A blue, rounded rectangular button with the text "Join Us" in white, bold, sans-serif font.***SOCIAL JUSTICE***

Hello faithful few, I hope everyone is enjoying their summer. I wonder if you all have been noticing the various manifestations of justice issues that have evolved this summer: the war in Israel, the Market Basket controversy, the shooting of an unarmed black teen in Ferguson, and, of course, the heartbreaking suicide of the incredibly talented Robin Williams? There are so many issues deserving of attention and discussion. Which leads me to the purpose of this email.

We will be reconvening our group if everyone is amenable to doing so again. I was thinking of continuing to meet once a month on the second Tuesday of each month in the rectory. Our first meeting will take place **SEPTEMBER 9TH AT 7:00PM**. We can review some of the basic tenets of social teaching and expand our critique. Let me know if this works for you.

Thanks so much and I look forward to our first meeting, Dave.
